

## Covid-19 – Attendance Procedures – June 2020

**This guidance is taken directly from the [DfE guidance](#)**

### Resuming the attendance register

Schools should:

- resume taking the attendance register when more groups of pupils begin to return to school
- consider using the attendance and absence codes in the following sections when completing the attendance register until further notice

On resuming the attendance register DfE will review the guidance regularly as the situations develops.

### Pupils who are not eligible to attend a session

This includes any pupil who is not in an eligible year group or priority group (children of critical workers and vulnerable children). This may also include children who are in an eligible year group but are not required in school for a specific session, i.e., year 10 and year 12 pupils who are not among the quarter of pupils expected in school at a given time.

They should be recorded as **code X (not required to be in school)**. (Temporarily, code X can be used for compulsory school age children – usually it is only used where non-compulsory school age children are not expected to attend.)

### Pupils who are eligible to attend a session but do not

This includes children in eligible year groups, children of critical workers and vulnerable children, such as:

- where a pupil is shielding, self-isolating ([see note 1](#)), or the pupil has an education, health and care plan (EHCP) and their risk assessment says that their needs cannot be safely met in school, they should be recorded as **code Y (unable to attend due to exceptional circumstances)**. (Temporarily, code Y can be used where a pupil is prevented from attending school due to following government guidance on coronavirus). To help you to complete the educational setting status form, you should note whether the absence is due to shielding or isolation.
- where a pupil cannot attend school due to illness, as would normally be the case, the pupil should be recorded as **code I (illness)**. To help you to complete the educational setting status form, you should note whether the illness involves coronavirus symptoms.
- where a pupil does not attend school - despite being eligible and is not shielding, self-isolating, unable to attend due to illness, nor has an EHCP risk assessment saying their needs cannot be safely met at school, the pupil should be recorded as **code C (leave of absence authorised by the school)** where no other authorised absence code is appropriate.

***At this time, all absence should be classed as authorised.***

## **Pupils who are attending other schools**

Where a pupil is attending:

- another school at which they are registered (for example, a pupil referral unit (PRU)), as would normally be the case, **code D (dual registered)** should be used to indicate that the pupil was not expected to attend the session in question as they are attending the other school at which they are registered
- a host school on a temporary basis because their home school cannot accommodate them, the pupil will not be registered at the host school. The home school should record the pupil as attending an approved education activity using **code B (off-site educational activity)** - the host school does not need to add this child to their attendance register but should keep a record of their attendance for safeguarding purposes and include the child in their daily totals for the educational setting status form - schools should put in place arrangements whereby the host school notifies the home school of any absences.

## **Using other authorised absence and attendance codes**

Where other specific authorised absence and attendance codes are more appropriate schools may want to use these as usual, such as **code M (medical appointment)**.
