

# Religious Education, Policy for Sex Education,

## **RELIGIOUS EDUCATION**

All schools are required to hold daily periods of collective worship and to provide Religious Education as part of the curriculum. Religious Education will be in accordance with the Local Education Authority's agreed syllabus and the requirement of the fact that the religious traditions in this country are in the main Christian, whilst taking account of the teaching and practices of the principal religions.

Our aim is that in a multicultural society, such as Birmingham is today, all children have some knowledge of other faiths and beliefs and appreciate and respect the rights of an individual to follow that belief.

Collective worship takes place daily. Parents do have the option to withdraw their child from collective worship. If you wish to withdraw your child you will need to submit a written request to do so.

## **PASTORAL CARE**

Brookvale is firmly committed to a partnership with parents as the best way to foster a child's achievements. Each term a parent's evening is held and at the end of the year a written report is sent to all parents. Records are kept, reflecting all areas of a child's work and progress and these may be seen by parents if they so wish upon request.

## **BEHAVIOUR AND DISCIPLINE**

We pride ourselves on the standard of behaviour of the children at Brookvale Primary School. We encourage all children to show a great deal of self control and follow the school rules. If any child is causing concern parents are notified and will be asked to meet with the class teacher, Deputy Head or Head Teacher so that the situation can be suitably addressed. Our Behaviour Policy is based on positive reinforcement. Copies of the policy are available from the office.
