

Sports Funding Evaluation 2017-18

Our Allocation for 2017-18: £17,800

Spending	Target	Contribution towards meeting Target	Impact
£7,985	To improve the quality of P.E. teaching across school	The sports coach followed 'Get set 4 PE' programme to ensure teaching was highly effective and supported colleagues to improve their practice.	<ul style="list-style-type: none"> ✓ Using the programme has ensured that lessons are never less than good with many being outstanding ✓ The programme was shown to all staff in order to improve their pedagogy ✓ Across the school children made good progress in PE with some year groups e.g. reception making better than expected progress ✓ Head teacher observed lessons and feedback to SLT that they were highly effective
£5,520	To purchase new and replenish existing resources to ensure children have access to high quality equipment for Physical Education and are physically active at break and lunchtimes.	Existing resources were audited and new equipment was ordered to support physical activity for all children. Existing equipment was serviced and repaired. New netball posts were purchased and fixed football goals were installed.	<ul style="list-style-type: none"> ✓ Increased activity at lunchtime so that the vast majority are now actively using equipment provided ✓ Lessons are well-resourced and teaching of PE is at least good ✓ Static equipment is in daily usage
£3,750	To engage effectively with the Kingsbury School Sports Partnership (KSSP) so that children can compete in a number of well-planned and led events across the school year and benefit from additional curriculum provision	Joined KSSP for 2017-2018. The Physical Education curriculum at Brookvale has been tailored to match the KSSP timetable of events. Each year group had at least one event that they entered, focusing on the sport within their curriculum lessons.	<p>The school witnessed some excellent sporting achievements</p> <ul style="list-style-type: none"> - Y5/6 football competition – 2nd - Y1/2 multiskills – 3rd - Y5/6 multiskills – 1st - Y5/6 Basketball – 3rd - Y5/6 Football – 1st and into championships - Y5/6 Football Championship – came 3rd
£545	To plan, deliver and evaluate highly effective staff CPD	A sports coach developed staff knowledge in a range of physical education competencies through team teaching opportunities.	<ul style="list-style-type: none"> ✓ Staff were shown the 'Get set 4 PE' programme to improve pedagogy and to have a clear understanding of the key skills for each year group ✓ Head teacher observations showed that all teaching was never less than good ✓ NQT received specific support from her phase leader based on her prior knowledge of PE teaching
Total spend 2017-18 was £17,800; Balance carried forward was £0.00
