Dear Parents/Carers

Brookvale school is working closely with Duncan Long and Carolyn Oates, who are both PCSO's within our local area. They work with most of the schools in Erdington and their primary aim is to educate the children about crime in the local area that may affect them and how they can take care of themselves.

Part of their work involves delivering workshops to pupils from Years 3 to 6. The workshops although age appropriate, will be relevant to our local area. The PCSO's do discuss real events to help support the children's understanding of these very serious and important issues.

Below is a summary of the dates the PCSO's will be coming into school and delivering workshops to the various classes. If you are concerned about any of the themes, please contact the school to discuss this prior to the sessions.
