You have up to midnight the day before if you wish to book a school meal. If you do not book a meal please send your child to school with a healthy **(NO NUTS)** packed lunch.

Timekeeping

A number of children are late daily coming to school.

Lesson's are starting straight away as children go into class. If your child is late they are then missing part of their lesson time. Please ensure children are **on time at the correct entrance**.

Guidelines

COVID restrictions are slowly being lifted which is great news, however to ensure the safety of all children, families and staff we shall be maintaining the current times and procedures in place (school opening plan).

Only Reception parents are to use the Reception gate as they must collect their children from here.

You CANNOT use this as a cut through from the playground to the front of the school.

Chairs blocking this off MUST not be moved in order to maintain the schools opening plan.

Please call or email the office if you need to speak to a class teacher, they will then contact you at a convenient time. Unfortunately there is not time for teachers to speak to parents as children go into class in the morning.

If you have any concerns about COVID, please call 111 who will advise you of the up to date procedures.

If a household member displays any symptoms please call 119 to book a test and isolate as a household and INFORM SCHOOL IMMEDIATELY.

If you do report your child absent due to illness please state the full reason as this must be recorded.

Thank you for your support.
