COVID

Unfortunately, due to the rise in numbers of COVID (Delta Variant) and local school's having again to isolate year groups (sending children home) it is imperative that we continue to work together as a community in order to keep school open, children, families and staff safe.

Please ensure that you adhere to the guidelines that have been implemented following government advice, including wearing a mask whilst on school grounds at all times unless you are exempt, in which case we request that you wear your lanyard showing your exemption.

Please ensure that your child is on time and using the correct entrance (stated below) in order to maintain safety in school and to avoid bubbles crossing.

**PE Kits are only to be brought into school on PE day.
Please ensure that PE kits are washed between each lesson.**

REMINDER
Any forgotten items such as water bottles and PE kits CANNOT be brought into school throughout the day.

If you have any concerns about COVID, please call 111 who will advise you of the up to date procedures or visit:

ATTENDANCE

Brookvale Primary School is working in partnership with parents and the Local Authority to improve school attendance.

In the event of your child being unwell and not being able to attend school, we would kindly ask that you to contact the school office (0121 356 9973) before 8.45am to inform us.

If there is no reason given for a child's absence, or the child's absence level is of a concern, we will undertake a home visit to discuss your child's attendance and provide support where needed to ensure your child comes into school.

It is a legal requirement that children attend school every day.

Research shows that children who do not attend regularly:

do not achieve well in exams
find it difficult to maintain friendships
are more likely to become involved in crime
miss out on opportunities in further education and the world of work?
