06 June 2022

Dear Parents and Carers,

I am pleased to be able to share with you some activities we have planned towards the end of this academic year relating to sport and wellbeing.

We are very fortunate to have been one of the schools selected to participate in Commonwealth Games workshops. We are one of over 500 schools within Birmingham, Dudley and Solihull to have been selected. The workshops will take place on **Tuesday 28<sup>th</sup> June 2022**. All children in Years 1 to 6 will need to come into school in their PE kit.

After two years of being governed by restrictions, we are pleased to be able to announce that our Sports Day, 'The Brookvale Games 2022' will take place on **Wednesday 15<sup>th</sup> June 2022**. Throughout the day our children will be competing in a range of sports and activities. They will compete in their houses as well as a staff race also! Due to the size of our playground and the number of children who will be moving around, we will be limited as to the number of adults we could invite. Therefore, we are inviting parents (**one adult per child**) to join us at **2.30pm** for our medal ceremony, where children will receive awards as well as the crowning of the winning house. This will all be weather dependent, if we do experience poor weather, we will communicate with parents alternative arrangements on the day. All children in the whole school (including reception) will need to come into school in their PE kit.

We are really looking forward to providing our children with such great experiences which will support both their mental and physical health as well as their general wellbeing.

Should you have any questions do not hesitate to contact me via the school office (email: [office@brkvale.bham.sch.uk](mailto:office@brkvale.bham.sch.uk)) or via your child's class teacher.

Thank you for your continued support.

Yours sincerely,

*B.T.Hobbis*
